

# HYCON HPP06 POWER PACK

## LIGHT-WEIGHT

## EASY TO HANDLE

## PRODUCT FEATURES

The mantra for the HPP06 is to keep it simple and small – but powerful – the ultimate compact and lightweight power pack.

Being the smallest power pack in the HYCON product range, it is lightweight and easy to handle but will provide suffi-

cient power to operate all 20-lpm tools with very low fuel consumption.

This makes the HPP06 an ideal for rental or light construction business choice.
